

247 CLOUDHUB

CHANNELS & MARKETPLACES MODULE

The Smartest Way to Expand Your Sales Channels

Our software provides everything you'll need to connect with more customers and increase sales on dozens of e-commerce marketplaces here in the UK and around the world.

247 CloudHub offers a comprehensive solution which helps you list your products easily on all your desired marketplaces while keeping your inventory in perfect sync and customer orders properly organised. A suite of in-depth analytics is also available to help you sell smarter across multiple marketplaces.

THE BENEFITS

- Easily and quickly list, manage and optimise your products on popular marketplaces such as Amazon and eBay to maximise your online presence
- Make overselling a thing of the past by managing inventory across all channels and marketplaces
- Keep all your inventory in sync with customer orders perfectly organised
- Format product data to meet multiple marketplace listing requirements
- Win more Buy Box and Best Offer positions with our intelligent repricing technology based on proprietary algorithms

CHANNELS & MARKETPLACES FEATURES

Sell More on Marketplaces

Expand your channels and sell to more customers by promoting your products on marketplaces such as Amazon, eBay, Alibris, AbeBooks, FNAC and more where billions of products are sold each year.

Manage Product Catalogue Easily

Format your product data to meet the listing requirements of each marketplace, then configure your product feed to send customised product information to all marketplaces with one click.

Inventory Management Control

Make overselling a thing of the past with easy to use inventory management tools ensuring you know exactly which products are available and where.

Multi-Channel Order Fulfilment

Track orders to monitor end-to-end fulfilment cycles and automatically route orders to preferred couriers to reduce shipping costs and delivery times.

Re-Pricing the Smart Way

Win big with intelligent repricing (currently available for Amazon only) which allows you to capture more Buy Box, Best Offer and high visibility positions at the highest possible prices.

Total Budget Control

Manage costs based on the performance of your product portfolio, and effortlessly calculate set-up and promotion costs for each marketplace.

Easily Accessible Experts

We don't leave our clients to figure everything out for themselves. Our multi-channel marketplace experts are available to assist you whenever you need us - by phone, email, Webex or Skype.

Rapid Bespoke Set Up

Connecting your online shop to marketplaces can take as little as 3 weeks, with your entire inventory imported, and your preferred payment and courier systems fully integrated with speed and precision.

Intuitive and Easy to Use

With an intuitive user-interface and a powerful range of automated functions, our ecommerce software is incredibly easy to operate.

Comprehensive Multichannel System

The 247 CloudHub e-commerce platform offers a powerful reciprocal connection to marketplaces and ensures constant updates to order management and inventory systems.

WHY CHOOSE 247 COMMERCE?

Bespoke Ecommerce Solutions

If you're looking for a highly customised, scalable and feature-rich ecommerce solution with powerful multi-channel capabilities and hassle-free integration tools, you've found the right team. All the work we do for clients is bespoke.

Comprehensive Services

We offer a full ecommerce agency service from consultancy to design, development and implementation, all the way through to hosting and post-deployment maintenance and support services.

Accessible Multichannel Skills

We've got unparalleled expertise in multichannel ecommerce, and our friendly team of experts are available to assist you with technical support and personal one-to-one training throughout the initial set up process, and whenever you may need us after deployment.

Deep Integration Experience

We've connected thousands of software tools to client sites, so we can make your project one of the easiest and smoothest implementations you've ever be on. We enjoy nothing more than sharing our experience with like-minded professionals, so give us a call to discuss your project.

Proven Track Record

Ecommerce is complex, and we have a proven track record of delivering results in a wide range of environments. But don't take our word for it, we have case studies from previous projects and client testimonials we can share so you know you're project is in safe hands.

Flexible and Collaborative

Our team adopt a distinctively collaborative approach to projects, using Agile methodologies to deliver solutions which evolve through the combined effort of cross-functional client and agency teams.

Value for Money

Our clients appreciate our work for the value we create for their organisation, as well as the price they pay to create and deliver outstanding multi-channel shopping experiences.

The Company We Keep

We work with well-known brands, like The V&A Museum, Marks & Spencer, the National Theatre and The Royal Navy, as well as hundreds of sellers operating across multiple international markets.
